

# DIPLOMA IN BEAUTY THERAPY LEVEL 2

With 12 new salons opening each week, there is no better time to begin a career in the beauty industry. This course will teach you the services that come hand-in-hand with a career in Beauty Therapy, such as facial skin care treatment, manicure services and pedicure services. You will get to work with products and equipment used in a modern beauty salon, studying units that focus on Health and safety, facials, waxing, manicure, pedicures, makeup and more.

## Who is it for?

This qualification is perfect for those who enjoy meeting people, have good social skills and are interested in making a career out of something creative. It is ideal for someone seeking employment within a salon, spa, health centre or even starting your own business.

**Duration:** 16 Weeks.

Advanced Learner Loan

## AEB funding

The Adult Education Budget (AEB), funds qualifications and programmes for learners aged 19+ who have not previously done a level 3 course. You may be eligible for this and your course would be fully funded.

## How you will learn

We want to help you get the most from your training programme. Therefore we will provide you with the support and guidance you need through a mixture of face-to-face and online learning. You will have a dedicated tutor who is there to guide you through your training programme.

On the vocational qualifications, in order to pass each unit, you are required to do several practical observations, an online exam or written assignment, a final practical (in which you will need to bring a model in) and be able to print your pictures to build your portfolio.

## What you will learn

- Working in beauty related industries
- Follow health and safety in the salon
- Client care and communication in beauty related industries
- Promote products and service to clients in a salon
- Salon reception duties
- Provide facial skincare
- Remove hair using waxing techniques
- Provide manicure treatments
- Provide pedicure treatments
- Provide eyelash and brow treatments
- Apply make-up
- Create an image based on a theme within the hair and beauty sector

## Benefits for you

- Access to high quality online content throughout the course
- Gain a range of key skills to aid career progression and learning potential
- Receive support and guidance from a dedicated team of qualified assessors/tutors
- Achieve a nationally recognised Level 3 qualification
