

Perseverance in overcoming challenges and reaching education goals...

My Apprenticeship Journey

Hear from one of our incredible learners from Anchor who has experienced the journey firsthand.

“

In my pursuit of the Level 5 Leader in Adult Care Apprenticeship, Janet's unwavering support has been paramount to Catherine's success. Over the past two years, her guidance and understanding have been instrumental in helping Catherine achieve a distinction in my End Point Assessment (EPA).

Janet's ability to identify when I was facing challenges was invaluable. She suggested a brief pause in my learning, allowing Catherine the opportunity to regroup and return with renewed focus. This break proved essential in ensuring Catherine was fully prepared to continue and excel in my studies.

Throughout the apprenticeship, Janet has consistently been responsive to Catherine's queries and concerns. She provided targeted support in areas where I needed further development, ensuring

that our sessions were engaging and tailored to Catherine's learning needs. Her dedication to my progress has been truly commendable.

As the EPA approached, Janet's reassurance and guidance were unwavering. She offered clear direction and practical advice, instilling in Catherine the confidence needed to approach the assessment with assurance. Her encouragement and meticulous preparation strategies were pivotal in Catherine's achievement of a distinction.

Beyond academic support, Janet provided invaluable emotional and motivational encouragement. Her ability to understand and address Catherine's individual needs showcased her commitment to my personal and professional development. Her support has been a cornerstone of Catherine's success.
