Entry requirements

All candidates will be invited to attend a pre-course interview at one of our Academies.

You will learn the practical skills of laying bricks level, plumb and straight. You will construct different types of wall, fit for a variety of purposes, and use special-shaped bricks to create varied brick patterns and features.

In addition to practical activity, you will acquire knowledge during theory sessions relating to your chosen craft. You will also be given the opportunity to improve your maths and English skills with our high-quality functional instruction. We can even help you prepare for the world of work through relevant employability support and work experience.

“” Learning Curve Group is teaching me the basics about bricklaying which will lead to a level 2 qualification and then hopefully onto employment in the construction industry.
