

# NCFE LEVEL 3 CERTIFICATE PRINCIPLES OF DEMENTIA CARE

The Level 3 Certificate in Understanding the Principles of Dementia Care enables learners to develop knowledge and understanding of caring for individuals with dementia. It allows learners to develop in-depth knowledge and understanding of dementia and its effects. Learners will gain an understanding of the types of dementia, the importance of early diagnosis and the role of communication, interaction and inclusion in dementia care and support.

## Course Content

- Understanding dementia
- How person-centred approaches are used to underpin the care and support of individuals with dementia
- Supporting positive interaction, occupation and activity in dementia
- Equality, diversity and inclusion in dementia care and support
- How to support individuals with dementia to exercise choice and rights
- The administration of medication and well-being of individuals with dementia

## Eligibility

This course is fully funded if you meet **any** of the below criteria:

- You do not hold a Level 3 qualification
- You earn below £18,525 per year

Funding is also available via an Advanced Learner Loan

 01388 777 129
