

CIH LEVEL 5 DIPLOMA IN HOUSING

Aged 19+ at the beginning
of the academic year

Lived in the EU
for 3 years

Course price:
£2,499

This qualification focuses on various critical aspects essential for senior roles in the housing sector. It covers ethical practice, leadership, management, strategic business planning, housing in context, and relationship management. By emphasizing these areas, the qualification aims to provide advanced technical knowledge necessary for effective housing practice at a management level. This ensures that professionals are well equipped to excel in their roles. You will gain a comprehensive understanding of your organization and the broader housing industry. This will enable you to perform effectively as a housing practitioner, armed with the insights and skills needed to navigate and lead within the sector.
